

D5550

REMARKS

Reconsideration and allowance of the above-identified application, as amended, are respectfully requested.

In response to the objection to the drawings, the specification has been amended to conform to identification " Fig. 1, Detail A" on the drawing. Accordingly, withdrawal of the drawing objection is requested.

Claims 27 and 53 have been canceled, claims 28 and 54 have been rewritten in independent form in response to the objection thereto, and the dependencies of claims previously dependent on claim 27 have been changed to be dependent on claim 28.

Accordingly, it is submitted that the above-identified application is now in condition for allowance, which allowance is solicited.
